

WORKSHOP

OH! Storytelling for Helping & Healing

Explore the OH card decks as triggers for creativity and communication. These decks of picture cards, first published in 1981, have become a widely acclaimed tool for personal and interpersonal work. The OH cards have been used successfully by teachers, storytellers, social workers, counsellors, art therapists, occupational and speech therapists, psychotherapists and hypnotherapists, trauma and relief workers, managers in the corporate world, caregivers and many others.
